

Magic of Faith Benefits Statement

What the book offers readers

- ✍ Shows people how to believe in what we cannot see or understand using a Magic Genie to prompt our imagination.
- ✍ Promotes spiritualism as opposed to any particular religious point of view – Glorious the Magic Genie is a nonsectarian Magic Genie.
- ✍ Encourages people to accept the premise that they are all basically good and worthwhile human beings who are entitled to have faith in God.
- ✍ Shows people how to use and learn to express their faith in God to help them cope with the troubled times we live in.
- ✍ Provides 99 Magical Keys to finding faith based on traditional values such as being kind, caring, and loving.
- ✍ Teaches readers how to share their newfound faith with family friends and loved ones.
- ✍ Shows readers how to express their newfound faith and declare themselves people of faith.
- ✍ Helps people acknowledge and validate their faith.

What's unique and different about the book?

- ✍ Use of a Magic Genie to help people use their imagination and find their faith.
- ✍ The interaction of Glorious the Magic Genie with the thoughts and questions of a broad cross-section of the population as he goes wooshing around in all directions at the same time.
- ✍ People who read the book and find their faith can post an expression of their newfound faith on the Web site Faith123.com and may even have their Expressions of Faith included in a second edition of the book.
- ✍ Everyone visiting the Web site www.Faiith123.com is offered a free faith-based Magic Pill and instruction manual to help him or her find their faith.
